LIVE AUCTION | AFRICAN BAZAAR | JEWELS OF HOPE | MUSIC

my dream

Before I could even begin first grade, my two siblings and I lost both parents to HIV/AIDS. At first, we were taken in by a family who had the means to care for the us, but they refused to support me. I was sent to live with my aunt in a very remote rural area. As my time to enter secondary school approached, I had little hope of ever attending due to the fees to attend school.

I was then referred to Peace House Africa. Today, I am receiving a quality, tuition-free education and nurturing care at Peace House Secondary School. Although I love science, what I want most of all is to become a lawyer and fight for social responsibility in my country. I can now finally enjoy just spending time with friends and playing soccer.

Gabriel is just one of the 280 children enrolled at PHS, each one an inspiration in all they've overcome. This is the remarkable difference your support makes. At this moment, Peace House Africa is helping children develop critical thinking and entrepreneurial business skills.

ABOUT PEACE HOUSE AFRICA

Established in 2001, Peace House Africa is a US-based, 501(c)3 nonprofit organization working in Tanzania, East Africa. Our goal is to create a positive, sustainable future for AIDS orphans and their communities.

OUR MISSION In the spirit of giving hope, Peace House Africa is creating a brighter future for Africa's orphans, vulnerable children and their communities through nurturing care, dynamic education, technology research and business development.
